

# To be sung of a summer night on the water

With accompaniment for practice

Frederick Delius (1862-1934)

Engraved by Francis Markey

I

**Slow but not dragging**

Soprano  
*pp\**

Alto  
*pp\**

Tenor I  
*pp\**

Tenor II  
*pp\**

Bass I  
*pp\**

Bass II  
*pp\**

**Slow but not dragging**

\* Sing on the vowel "uh" (as in "love") with a very loose mouth, almost closed in *pianissimo* and gradually opened or shut as more or less tone is wanted. Breath should be taken only on the breath marks ";" if possible, and quietly and quickly in order to preserve the *legato*. Breath marks in parentheses should be observed only if absolutely necessary.
